She has large, prominent breasts and is wearing a grey, torn short-sleeved shirt and dark blue, torn high-waisted shorts. She is standing in a room with a doorway and a door visible in the background. A speech bubble from her indicates she is experiencing a gas attack. On her stomach, the word 'GURGLING' is written, and on her left thigh, the word 'STITCHING' is written, both indicating the effects of the gas.

A full-page illustration of a woman with short brown hair and large blue eyes, looking into a large mirror. She is wearing a light blue, wet, halter-neck crop top and matching shorts. Her skin is glistening with water droplets. She has one hand on her hip and the other touching her hair. The mirror reflects her from the waist up. In the background, a rack of clothes is visible on the left, and a wall outlet is on the right. The floor has a patterned tile design.

A woman with short brown hair is standing in a store, possibly a clothing boutique. She is wearing a light blue, wet, low-cut top and dark blue jeans. She is posing with her back to the camera, looking over her shoulder with a playful expression. She has a red purse slung over her shoulder. The background shows shelves with various items and a rack of clothes. A speech bubble is coming from her mouth.

A comic-style illustration of a woman with extremely large breasts, wearing a grey halter top and dark shorts. She is standing in a clothing store with racks of clothes on either side. She has a confident, slightly smug expression and is looking towards the viewer. Her skin is glistening with sweat or oil. A speech bubble is coming from her mouth. The background shows a well-lit store with various colored shirts hanging on racks.
